

# CALLING ALL KECK'S ARTISTIC SCIENTISTS FOR A FALL 2021 BIORENDER ILLUSTRATION COMPETITION

Are you creative? Love art but stuck in the lab? Here is an opportunity to hang up the lab coat and unleash your inner creativity!

KSOM Office of Research and USC Stem Cell invite researchers to submit an artistic illustration created using BioRender software. BioRender is an illustration tool newly supported for KSOM researchers to enhance the way science is communicated through visual art.

Competition is open to KSOM faculty, staff, postdocs and students.

## RULES & GUIDELINES:

Illustration must be created in BioRender

Illustration should tell a story

Illustration should be aesthetically appealing

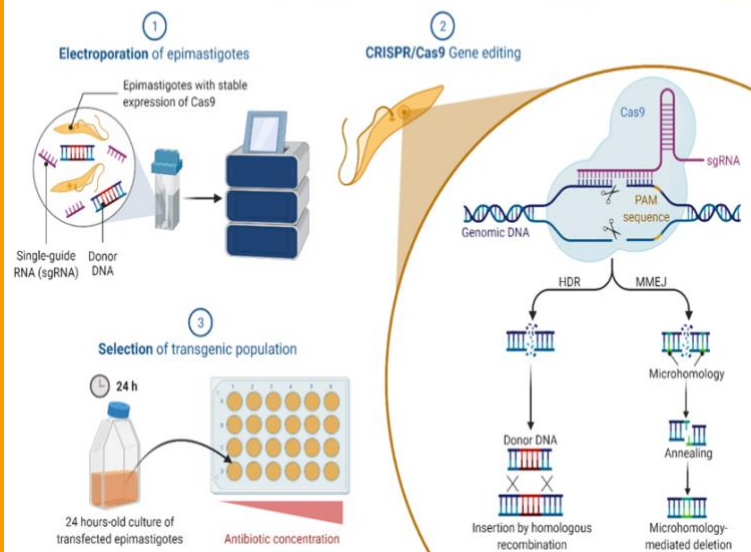

Limit to a one sentence description

Use labels only as necessary

Limit one entry per person

DEADLINE: October 15, 2021 @5pm

## CRISPR-Cas9 Gene Editing in *Trypanosoma cruzi*

## PRIZE MONEY:

1<sup>ST</sup> PLACE\*: \$75

2<sup>ND</sup> PLACE: \$50

3<sup>RD</sup> PLACE: \$25

Winners notified by November 15, 2021

\*1<sup>ST</sup> place winner's image will be displayed in the lobby of the Eli and Edythe Broad CIRM Center for Regenerative Medicine and Stem Cell Research at USC

## INSTRUCTIONS:

1. Create an illustration in [BioRender](#)
2. Follow instructions under "[Share](#)" on the BioRender website for sending your illustration to user [cnguyens@usc.edu](mailto:cnguyens@usc.edu) by October 15, 2021.

If you have any questions, please email [KSOM-Research@med.usc.edu](mailto:KSOM-Research@med.usc.edu)
